Stash splash

When my husband was at work one day, I raided his porn stash. I called in sick at work and then grabbed a few mags – including *Escort* of course – and a couple of DVDs.

The first DVD was horny stuff and my fingers weren't doing it justice. I got my toys out of my bedside drawer and started rubbing my favourite dildo all over my clit.

I kept teasing away until I felt myself get close to cumming, then I just plunged it into my cunt. I didn't get off yet, although I fingered my clit, pressing and squeezing it against the shaft of my toy.

I took it as slow as I could, pulling myself back from the brink of cumming often at the last second, until I couldn't take it any more. As my fingers stroked my clit, my climax hit me really hard.

I was insatiable, like I had this big itch I couldn't scratch. I'd drop off to sleep lovely, but as soon as I was awake again, my hand would go straight to my pussy.

Watching all the porn didn't help, either – a couple of minutes of some stud screwing the hell out of some slut and my juices would be frothing out of me.

When Martin got back from work he was horny, and kept saying how I must be gagging for his cock. Then he saw all the porn and sex toys lying around and grinned.

I gave his cock a long, slow sucking – my mouth was just about the only bit of me that didn't feel too tender for some fun!

Holly, Scotland.

Scot free

Recently I went to Edinburgh – more than 300 miles from home – for a few days of meetings and found myself with a free afternoon before dinner with a client.

The thought of spending it in my budget hotel room with just my vibrator for company was too depressing, so I decided to hit an art gallery.

It wasn't just the paintings I looked at – I saw this bloke eyeing me up. I sidled up to him and, after a bit of small talk, I just gave it to him straight, telling him I was up for a fuck but it had to be right now.

His name was Iain and, one 15-minute cab journey later, I was stripping off in his bedroom, watching him undress too. I already knew from copping a sneaky feel

He fondled my shaven pussy lips

he had a nice big cock on him, and I'd got it hard in the cab back – no sense in wasting time!

As we snogged, Iain was sucking on my tongue while my hands reached down to grope his prick. I must have got him over-excited – by the time he'd fondled my shaven pussy lips and shoved his fingers in my soaking hole, he was already shooting his load all over my belly. He looked a little bit awkward – I just scooped it up and licked it off my fingers before giving him another snog.

He knew what he was doing with his hand, using his thumb and fingers to manipulate my clit. I was juicing up in waves and then his other hand moved in between my bum-cheeks, fingers tickling their way up my arsehole. I tightened up around them, both holes getting the horniest sort of attention now.

He dropped to his knees, opening up my labia to give me a licking. When my clit gets swollen up and horny, it seems to roll about against a bloke's tongue, but I was loving his attempts to catch up with it. Then he just sucked it into his mouth. I felt an orgasm well up and I ground my pussy against him, filling up his mouth with my cream.

This bloke loved eating pussy! He turned me round and started licking me from behind, pulling my lips wide once again so he could stick his tongue right inside me. And all the while he used his thumbs on either side of my clit – a new one on me, but fucking hell it worked! And I started thinking maybe he could breathe through his ears – he never seemed to pause for air.

I came again and wanted to return the favour with a blowjob, but he asked if he could just fuck me instead. Sure, I thought, and just squatted down over his lap, wanking his prick against my slit then taking it inside me.

He just grabbed my hips, pulling me on and off it as I bobbed up and down. "Here we go again..." I thought, as his fingers trailed down to find my clit, and my head soon felt like it was going back into orbit.

Just when I thought he wasn't in any rush to cum, he started to pound in hard and fast. I clenched around him, giving him a good, tight fuck, then suddenly I felt this massive blast of spunk deep inside me.

We just stayed there for a bit, Iain breathing heavily and squeezing my sensitised tits as we came back down to earth.

But I didn't give him long to recover – I wanted as much of his cock and tongue as I could take before I had to leave and meet my client.

The funny thing is, she kept on saying how well I looked, asking had I just been away because I had that sort of "holiday glow" about me.

I just made some bollocks comment about enjoying a bit of city culture, but she seemed to swallow it. Just like I did when Iain finally let me suck him off!

Kerry, Essex.

midnight mess!

It's the only office party you're embarrassed about if you DIDN'T get caught in a compromising position, enact inappropriate sexual behaviour and generally make a complete tit of yourself – the Paul Raymond Publications XXX-mas bash, at London's Spearmint Rhino.

DEAR JULIA

Dear Julia
I was really excited reading your mag vol 32 no 13. Fuck me! I can't believe how much fanny is out there. So many sexy girls caught my eye but Jess West has go to be the best. What a daredevil. What a bare devil!
M., South London.

Go West, young man

Julia says: We can't get enough of Jess West, who's becoming the go-to girl for UK porn at the moment. The lads in the office have dicks pointing due North when her pics arrive!

Dear Julia
Weird and wonderful shots of girls cavorting with dolls! I know times are tough, but couldn't you afford a five-girl shoot instead?
Alby, Guildford.

Dolly mixture

Julia says: They're cheaper and more punctual than models, and don't turn up hungover. Unfortunately, trying to shag them feels like having sex with a li-lo, despite a gallon of baby oil. So we'll be sticking to fleshy fannies!

Bitch and the wardrobe!

Dear Julia
Great to see Kay again in your last issue. My missus loves dressing up in my shirts so I can smell her on them when I'm at work. I always carry her knickers in my suit pocket as well for a quick "drag" in the toilets!
Dominic, Newcastle.

Julia says: You should try my knicks – they're like Capstan Super Strength! You could get addicted!

REAL WIFE SEX

Liza,
Ely

Sex toy boy Daz would rather pole with plastic than with his own pecker. Until he meets Liza...

I'M A BIT

Girls banging themselves silly with sex toys has always turned me on. One time, a girlfriend of mine had to remind me to use my cock on her, I was so caught up in fucking her pussy with one of her dildos!

Another time a woman was sucking me off while doing herself with a vibrator. She was fucking herself so frantically and blowing me so hard, I couldn't have pulled out of her mouth if I'd wanted to. She was bucking her cunt and clit up against her toy, and drinking my bollocks dry as I shot my wad into her.

My biggest fantasy, though, was watching two girls go at it with a strap-on and, when I finally got to live it out a few weeks back, I wasn't disappointed.

I'd been fucking Liza on and off for a couple of months, thinking I could even get serious with her. But she'd told me from the off, one man's cock wouldn't satisfy her, and she was into women too.

We didn't have any secrets – in fact, she'd lie there telling me all the filthy details while I stirred a toy around up her cunt. So I asked her if she'd ever had strap-on sex.

She said the last time had been about six months before, and I ended up begging her to get in touch with the girl she'd screwed.

Fucking hell, the wanking I did while we waited to hear back – then Liza called

TOYED UP...

to say she'd fixed up a threesome.

I wasn't on a promise from this other girl, but Liza reckoned a total goer like Amy wouldn't turn down the offer of my knob! Well, not if she was anything like Liza, she wouldn't. I got the booze in, but the girls had already had a few when they turned up at mine, laughing and all over each other. Amy had this dress on that zipped all the way down the front, and after a quick grope of her tits through it, Liza undid it, exposing a very skimpy bra and thong.

Meanwhile, Amy was scoping me out. “You fucking bitch, keeping this one all to yourself,” she told Liza. Result – but first I wanted to watch the fuck-show.

It was even hornier than I'd expected. Liza finally took off her long coat – she was wearing this sort of basque that pulled her waist in but left her tits, arse and pussy bare. She was already wearing a strap-on, held on her crotch with a tight thong.

Liza was in charge. She snapped her fingers, then Amy went down on her dildo. I couldn't wait for her to get to grips with my hard-on. Then Liza had her bending over the bed, thong halfway down her thighs.

My prick was throbbing as I watched Liza tease Amy's crease with the toy, then start to push inside of her, a bit at a time. If Amy made any move to press back onto it, Liza'd stop immediately. She was giving it to her slow, tantalising the pair of us, so I took a bit of action. I started wanking my own prick harder and faster, like I was starting to lose control. Liza could have ignored me but instead – as I'd hoped – she just started lamming into Amy's snatch. Amy caught my eye, giving me a grateful wink. Then she got right into taking one off Liza.

My prick was throbbing as she teased her crease

“Over here,” said Liza. She wasn't done taunting us quite yet and she knew what would do the trick. She had me kneel up on the bed, wanking myself a few inches away from Amy's mouth. When I started groaning that I was cumming, she said, “Just spurt it out, right in her face.” I glanced down at Amy, checking she was okay with this – her big, dirty grin told me she was.

I grunted, letting rip. By the time I was finished, her face was totally covered in sticky white jizz. She started lapping it up, licking around her mouth, then Liza took my place in front of her, wiping the dildo in my muck so she could suck more of it off my shaft.

The two of them gave me a break, messing around while I recovered, knowing that when I felt up to watching them, it'd soon get me hard again. Amy was using a small, thin hand-dildo up Liza's arse, licking her clit until she orgasmed.

As she came back down to Earth she

Bi for now

I've been bi for about three years now and seeing a girl called Abi for the past year. It's an open relationship, which it has to be because I need to shag blokes now and again, but Abi's understanding about that.

Abi fucked guys when she was at college but says she's now strictly girls only. Or so she said. When I got together with Pete, my latest shag, she seemed more than a little interested. It wasn't like jealousy, more that after a session with him she'd want to know all the details. I'd tell her how I'd sucked and fucked his cock and she'd get all turned on.

She got turned on by how I'd sucked and fucked him

One time I'd told her about this position we'd tried and she'd got her strap-on out and asked me to show her.

The last straw came when she went down on me as I talked dirty about him. He'd fucked me in the car outside her place as he'd dropped me off, so I was there with a snatch full of his fresh spunk, and she seemed happy to lap it out of me.

I asked what she really wanted – if she'd admit to a little craving for cock. She denied it for ages, saying she didn't miss it at all.

Then she finally said that when I spoke about it, all fuck-struck, she sometimes felt like she should give it a go again.

I decided to be a good mate and help her out, so I spoke to Pete. He said he was up for it, no pressure. We'd invite her for a threesome but if she bottled out of shagging him, no big deal. I said I'd make sure he came out of it satisfied!

Abi loved the idea and the two of us tarted up together. She got a bit nervy and giggly with Pete, but I soon calmed her down, kissing her and playing with her clit until she came. Of course, watching us got Pete all horny, and that's where the fun began.

I stripped and got on the bed, doggie style – Abi's favourite position for strap-on sex. I kept sneaking looks at her, watching her sit in a chair in the corner, legs spread as she frigged her pussy. But, as I got more carried away, wrapped up in Pete's cock pounding my snatch, I stopped looking.

Next thing I knew, I felt movement on the bed, and Abi'd got on the mattress next to me, head down, arse up. Pete patted me on my bum, then

Kristy, Tyne & Wear

£120

pulled out. I watched her face, the horny pleasure on it as he swiped his juice-wet cock over her cheeks. Then he asked her if she was sure she wanted it. She said yes and he slammed up her in one go.

So much for not being sure, she fucked him as good as he fucked her, banging back, tits slapping all over the place.

He was talking dirty, telling her she'd never go back to dildos after this – yeah, right! – but I was loving it and frigged my pussy until I orgasmed.

I heard Abi cum once and she was on the way to another one when Pete hit the point of no return. "On you or in you?" he asked.

"Inside," she groaned, and I rolled over on my back so I could watch him cum his load. His face always looks so horny and he was really fucking her deep. Straight away I slid in underneath her so I could watch him pull out.

My mouth was open ready to catch the fuck fluid coming out of her and she settled her pussy on my mouth so I wouldn't miss a drop.

I sucked her till she came and, between them, she and Pete fingered me off.

Now Abi's admitted she still likes cock, she isn't quite as obsessive about Pete and me. He's said he'll see to her any time she needs it, but she's usually satisfied with me and my strap-on!

Kristy, Tyne and Wear.

Why is the nurse fantasy still so big? These days, you're more likely to be shushed and wheeled off to die in a corridor than get a bed bath off a pocket-sized sex dynamo. Old fantasies and Carry On films die hard, we suppose. But if 24-year-old Xena doesn't burst a blood vessel in your cock after this intimate examination, you must be dead already.

ANNA

No, she doesn't leak pre-cum the strength of Ridley Scott's Alien's blood – ripping off her stockings with her nails is the effect that appearing in *Escort* has on girls. "I'm so randy you could fuck me right here, right now," gasps Anna (24). "All you readers – form an orderly queue!"

RUBY

Slapped down on the worktop and kneaded, thumbed and pummelled, Ruby enjoys a Great British bonk-off with her husband and his mates every Friday night. "It starts off with a few pints over at the local but always ends up with me spreading my legs for the lads. I'd quite fancy it if that Paul Hollywood could join in though." We'd like to watch him pouring his gelatine into her hairy pie all right!

PERRI

"My fella is serving in Afghanistan but I wanted to let him know I was thinking of him – thinking of him very hard indeed!" confesses perky Perri (23). "He'll be home next year and we've got a lot of sex sessions to make up. I'm hoping we can get most of them done on the first night! He's always loved other blokes looking at me so these pics will give him a massive boner. And you too I hope!" You could say we're standing to attention!

Health serviced

When my hubby landed in hospital with a broken leg I decided to cheer him up.

I turned up right at the start of visiting hours. I was wearing my winter coat – and I needed it, given how little I had on underneath. I drew the screens round Jamie's bed, then gave him a flash of my stockings, sussies and split-crotch panties.

I gave him a big red lipstick snog, then got on the bed in a sixty-nine, my bald pussy planted right over his face. I felt him run his tongue along the edges of my panties, getting me even more juiced up than I already was. Then he slipped it inside my hole and squirmed it about, and I had to grab a spare pillow to muffle my moans.

I frigged my clit, juicing in his mouth and his face, but that was just the warm-up. Almost immediately I'd stopped cumming, I slithered down his body, rubbing my cunt all over his bare chest and belly. I pulled his boxers down, freeing his hard-on. He's always loved my arse and now he'd be getting an eyeful as I fucked him.

I wanked him against my mound, then slipped him in my pussy. I rode him hard and deep, grinding away on him and reaching back to pull my bum cheeks apart, giving him an eyeful of my arsehole as his cock disappeared into my twat.

Soon I felt him tickle it with a wet finger, teasing before pushing up inside it. This time I had to bite my lip to keep from screaming, and I started writhing and humping so hard on his cock he slowed down so I could calm myself. We didn't want to get caught before I could finish him off! He didn't pull his finger from my bum, though.

CONTACT ME

I was amazed at how quickly I managed to cum again, my clit pulsing as my two full holes clenched and throbbed around his cock and finger. Despite himself he let out a little groan, but then he managed to keep it together as I carried on fucking him, grabbing tight hold of my arse.

Before he got too excited, I got off him and put my head in his crotch. I love to taste myself off his cock just after he's fucked me! I had one hand on his bollocks, rubbing them together in his ball-bag, and the other was on his shaft, wanking it into my mouth as I tongued his helmet. I mostly stuck to sucking him like that, although I'd sometimes take his prick in down to the root without any warning.

I worked his cock and balls like never before, slobbering all over his nut sack and sucking on his balls whilst wanking his cock – real porn movie stuff!

I could tell that he was having to try very hard to keep from crying out with pleasure and I knew that I had him! I nuzzled his cock, flicking the underside of his cock head with my tongue.

Sometimes that alone is enough to get him jizzing his load, but I managed to string it out this time, until his balls just tightened right up in my hand and I barely had time to sick his cock into my mouth before his cum exploded out, splashing my tonsils and running down my throat.

I cleaned him up, starting by licking his cock and balls clean and then moving up to the fuck-juices all round his mouth. Then I said I'd better be on my way.

He recovered quickly!

Jenna, Farnham.

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

KAT, LANCS.
28 years old. I Made Contact, p. 56. "I got gang-banged by five very lucky readers. Now I want a repeat performance!"

Kat tucks up pal Megan for some late night lesbo fun (appeared in Escort vol 32 no 12).

NAUGHTY NIGHT, LOVE!

Dear Escort,

After my wife Kat appeared for the second time in *Escort* and told readers that her fantasy of having sex with whole football team had been fulfilled, she got lots more letters from readers.

She really enjoyed reading them with her best friend, Megan, who had come up from London for the weekend. They both seemed turned on but were a little too shy to do anything about it.

Later, they went out for a few drinks while I went off to bed, having to get up very early the next day for a business trip.

I was fast asleep when I was woken by some muffled noises coming from the guest bedroom where Megan was sleeping. Looking at the clock, I saw it was 2am but rather than being annoyed at woken up, I was curious because I realized that Kat hadn't come to sleep in our room but was in the guest room too.

I quietly got out of bed and crept along the corridor to the spare room. The sounds coming from the room were getting a little louder... and sexier! The door was ajar with the bedside lamp on. I sneaked a look through the crack in the door. My eyes widened at what I saw.

My wife and her friend were embraced in a deep snog, with the bedclothes thrown back to reveal two pairs of lovely legs and two very peachy bums. I was very excited and took the chance of stepping quietly into the room to get a better view. And what a view it was!

I looked down at the foot of the bed and saw the pile of readers' letters strewn around and I understood that they had been reading them again, but this time were not too shy to do something about it.

At that moment, the girls shifted positions and it was my wife who was looking over Megan's shoulder and straight into my eyes. She winked and smiled. This meant I was to stay, which I was more than happy to do!

My wife began to kiss and lick the beautiful big tits of Megan, one at a time and slowly. This made her friend writhe with pleasure and her moaning became quicker and louder, eventually cumming with a sharp gasp. Very exciting for me too! She too opened her eyes and saw

me stark naked in the doorway, with a throbbing erection. Just like my wife, she winked and smiled. I knew I was welcome and I knew I was in heaven!

Not wanting to get in the way, I stayed where I was but now I had received the go-ahead, I started to wank, watching the incredible scene unfold before me.

The girls moved into a 69 position and it was amazing. Each buried their head in between the pink thighs of the other one, licking and kissing the other's pussy.

My wife always keeps hers smooth for just such an occasion and I could see that Megan had a bald beaver too.

£100

The pussy licking was a treat for Kat and she was soon bringing the house down with her sighs of excitement, encouraging Megan to continue as she came in floods of pleasure

By now, I was so turned on that I couldn't resist walking over to the bed. They had finished pleasuring each other and so were both happy to see me finish myself off.

They lay at the end of the bed, their faces together and lips almost touching as I wanked hard and suddenly exploded, sending a stream of jizz over their smiling faces.

Wow! Even then my dream hadn't finished because they started to kiss each other again, kissing my spunk on each other's face and swallowing every drop.

What an evening! I wondered if my wife would come and sleep in my room after the excitement was over.

But she closed the door in my face and all night she stayed... in the guest room!

REAL WIFE SEX

Daz's story continued from page 19

told me to lie on the bed, so Amy could give my cock a sucking. She went down on me like she hadn't been fed in a week, and it didn't take much coaxing from me for her to squat over my face and get some back.

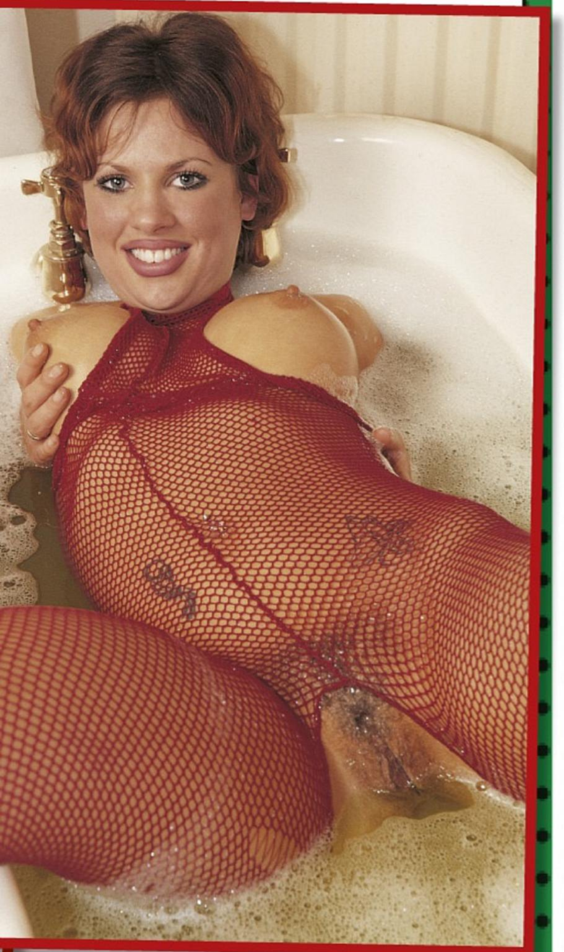
I don't know if this was in Liza's plans, but she joined in, crouching over my head so she could give it to Amy from behind again. I had my mouth on Amy's clit and two fingers up her cunt, testing how she felt round them. Put it like this, I didn't want her leaving before I'd stuck my dick up her and, if I hadn't already seen her take Liza's big dildo, I wouldn't have been convinced she could.

As it was, I saw it go inside her in glorious close-up, pulling her open so her labia were stretched tight and shiny around the shaft. It seemed to hit the top of her pussy with a thud, but her groans were of pure pleasure.

"Back to work," said Liza, slapping her round the bum, and she started sucking me even harder and deeper. It was incredible – her hot, wet gob was wrapped round my prick and, as Liza's fake length slammed in and out, I got to watch and feel the fuck-juices dripping out of her and all over my face.

I groped around on the bed and found a little vibrator, then pulled my mouth off her clit so I could use that instead. She was moving her arse about, grinding hard onto Liza's strap-on, but she didn't

She left a sticky trail slithering down my body



let up on sucking my prick. I think I felt her cum a couple of times – it's hard to be sure because I was half-gone myself, but then Liza let up.

"Can I spunk up your pussy?" I breathed. Amy was gasping for air herself, but she slithered down my body, leaving a sticky trail, then palming my cock into her hole as she straddled my crotch. I didn't even need to push up hard before I emptied my bollocks in her.

Liza seemed to be taking a "don't mind me" view, fucking herself with her toys while Amy and I shagged. She'd be wanting some appreciation for that soon enough, but I was happy to oblige when the time came.

When Amy finally left – with just a couple of hours to spare before a date with some other bloke she was fucking – I slid a dildo slowly up Liza's arse. Then I slipped my cock in her cunt, feeling how it was even tighter now. She was so turned on she started cumming the second she touched a vibrator to her clit, and she just kept on until I shot my wad too.

"One cock for each hole and another one to jizz all over my quivering boobs as I shake with mammoth orgasms! Then all the guys could swap around and do it all again. I make out that with different guys in different holes there are 96 ways to get porked! Now that would be fun!"

Upskirt girl

So there I am, sprawled out in the pub, when this girl who's stood with a couple of mates starts dancing around to a song on the jukebox. She was dressed in this little ra-ra skirt, black over-the-knee socks and leather boots. She'd obviously had a few vodkas and was giving it so much her mate pointed out that she was probably flashing me.

"Don't mind me," I said and she turned around. "You perving up my skirt?" she said, grinning. "I'm not trying not to," I told her. I stood up, thinking it was the polite thing to do now I'd been rumbled. I bought the girls a drink and got talking to Josephine.

Back at mine and already on a promise, I asked if she would show me the view up her skirt again. I found the song that she'd been dancing to on the stereo, then sat back – on the floor, back to the settee – as she shook and jiggled her arse above my face. Somehow I managed to resist the temptation to just grab a hold of it, even when I was sure I could see a damp spot spreading over the crotch of her pants.

She pulled them down, flaunting her rounded cheeks. She kind of settled on my face, perfectly positioned for me to get stuck in. I opened her up with my fingers, sucking down her juices, smacking my lips at the deliciously musky taste of her.

Grinning, she wanked me as she straddled my crotch, then guided it slowly up her cunt. She stayed still, just squeezing and slackening her muscles

I let go and spunked up her snatch

Open all hours

My other half and I own and run a shop together. Recently, he left me to hold the fort for the weekend.

On Saturday, Nathan – a sales rep for one of our suppliers – turned up with a bunch of new stuff to show me. If he fancied a bit of fun, my man was away and I was well up for it. If not, he could sod off and stop wasting my time.

At first, he just looked gobsmacked, but while I locked up the shop, he decided to take me up on my offer. I thought at first I'd better take him into the back room, then I reckoned it might be fun to fuck him right in the shop.

We kissed each other, a little nervously at first – this was wrong on so many levels, which just made it all the more exciting. Nathan pushed me to the counter, and I perched my arse on it, spreading my legs slightly. After paying my tits a bit of attention, he licked his way down to my crotch. He spent ages over running his fingers through it, grinning as he parted it and my hairless, wet pink slit popped into view. Then he clamped his mouth over it, breathing in the scent of sex from my thick pubes.

I got one serious licking off him – like I could tell just how much he was into it. He had my flaps pulled wide apart with his fingers and thumbs, and fucked his tongue hard in and out my hole. I strummed away at my swollen nub, feeling the tingle rise as Nathan's tongue thumped away inside me. Then, suddenly, he pulled away and stood up.

I could see his cock, straining up stiff, on a level with my pussy. And I can honestly say, it isn't often I've wanted a prick inside me as much as I did right then.

He was butting up against my slit and, much as I was tempted to reach down and give him a hand, all I did was wiggle my hips, heightening the anticipation as he pried for an entry.

When he hit the spot it just sank inside me, slow and delicious. He ground me against the counter, then started thrusting. I hooked my legs around his back and just took him, literally every fucking inch of him, until my second orgasm that hour hit me.

Then he started banging in hard, pounding up against my swollen walls until he was filling me with a load of thick, creamy spunk.

Even after he'd cum he stayed inside me for a bit, sucking gently on my nipples. This teased out a few more orgasmic jolts – his prick was so tender from cumming, even this slight squeezing of my pussy had him gasping.

around it before starting to ride me.

She wasn't shy of showing how much she loved the feel of a hard cock up her hole. She bounced up and down on me, tensing around it as she pulled back and up, so there was no chance of me slipping out.

Then she popped her tits out of her top, leaning forward so I could suck on her stiff brown nipples as she slammed her pussy around my rigid cock.

She only straightened back up so she could frig her clit, to get herself even hotter, and I just fucked into her as hard and fast as I could. So, when she started to moan telling me that she was cumming, I just let go and started spunking up her snatch.

Her cunt began to orgasm around my shaft, squeezing me so tight by the end that it was almost painful. Not unbearable, though!

We've been seeing and screwing each other ever since then, and Josephine seems to have a whole collection of miniskirts for me to "perv" up.

Horny as fuck, don't get me wrong, but I get a big thrill when she wears one out in public, and I see some bloke on a bus or down the pub trying to sneak a look up it for himself. I don't get jealous, I just feel smug, knowing she's mine!

Ted, York.

He finally pulled out and I got off the counter, legs shaking and cum leaking down my inner thighs.

Soon he was hard again. Next thing I knew, his cock was butting up against my pussy opening again, and then he was inside me, fucking me deep and fast. I groaned to him to give it to me hard and while I didn't cum quite like I'd done earlier, I felt a bit of a twinge and a glow as he spunked deep in my hole.

We promised each other we wouldn't breathe a word about what we'd done – it was a fun one off, but anything else could prove to be a problem!

Hayley, Kent.

He pounded against my swollen walls

Sales bitch

One afternoon I was sunbathing out in the back garden when the doorbell rang. My parents were out at work, so I answered it – to a door-to-door salesman. Normally I'd tell them nicely to piss off, but this one was actually pretty cute! I don't remember what he was selling – I didn't care then – but I asked him in.

He carried on with his sales pitch but I said, "Look, I've got no intention of buying anything, but if you're up for a fuck, so am I." Sometimes you have to be upfront.

I lifted my top up and slid my fingers down the front of my bikini, slipping the tip of the middle one into my slit.

He got the hint, coming over then dropping down onto the floor to watch as I gave myself a quick frig. Then I pulled my bikini to one side, inviting him to have a taste.

Immediately he burrowed his face right in between my thighs, spreading my lips apart with his fingers and flicking his tongue against my clit.

If he fucked half as well as he ate pussy I wanted him now, so I led him through to my bedroom.

The salesman – Steve – unzipped and I freed his cock so I could feel it up. I started licking the top of it, like I was eating an ice cream, tasting at first, then really lapping it up.

He started bucking his hips – soon he was doing too hard for me to carry on gobbling him. So I lay back on the bed, legs open ready for him. He grabbed my hips, pulling them up slightly, then slammed into me in one.

I just let myself go, banging my crotch against his, tits jiggling everywhere. I think maybe we were going too fast too soon, because he stopped and pulled out, kneeling over me, his rigid prick quivering and coated with my juices.

"Lie down," I told him, and made to fuck him a bit less strenuously. Instead of bouncing on his cock I just let it sink right in me, then I moved on top of him like a belly dancer. As he stared at my gyrating tits, my pussy muscles were gently massaging him towards an orgasm.

I think that when it hit him it came as a bit of a shock – his eyes widened and he just groaned, "Oh fuck, I'm…" and then the hot sticky jizz spewed into my snatch.

When I finally pulled free of his helmet, our cum flooded out of me to splash all over his shaft and balls. Lovely!

Melissa, Coventry.
